

MOAA Survey Results: Homosexuals in the Military *

* SOURCE: *Washington Times* - July 30, 2009, "Is Obama Administration Listening to the Troops?" by Base News Editor Grace Vuoto. A link to the MOAA Survey results of 1,664 respondents cited by the *Washington Times* now displays the statement "The owner of this survey is no longer sharing results." The majority of those responding to the survey were younger than 45: 34% younger than 30 years, and 30% between 30 and 45 years. More information on this issue is available at www.cmrlink.org.
